09:45	09:50	Photo Session
09:50	10:45	Plenary: About the 2nd African Dialogue – Methods and what to expect The World in 2050 and Results from the First Dialogue David Collste, Stockholm Resilience Centre Introduction to the Three Horizons framework adapted to the SDG context. Introduction to facilitators, break-out groups and rooms Dr. Ana Paula Aguiar, Research fellow, SRC and Senior Researcher, INPE/Brazil
10:45	11:00	Transfer to break-out rooms with coffee
11:00	13:00	Break-out Session 1 Step 1: The desired future for agriculture and food systems in Africa and seeds of this future in the present. Overarching questions: 1. What is your vision for the future agriculture and food systems, and what values and norms would support it (consider social, economic and environmental aspects)? 2. What do you see of the desired future already existent in the present (initiatives, project, proposals etc.)? Outcome of the session: Diagram illustrating the vision and its story.
14:00	16:00	Break-out session continues Step 2: The present concerns about agriculture and food systems in Africa Overarching question: 1. What evidence do you see around you that suggests the current agriculture and food system in the focus region is under strain, or is even failing? 2. What are your major concerns about the agriculture and food systems (also considering social, economic and environmental aspects)? 3. What are the root causes of these concerns? Outcome of the session: Diagram illustrating present system and its story.
16:00	16:15	Transfer to plenary room with coffee
16:15	17:30	World Cafe Participants to rotate between groups. Group representatives to stay with their 3 Horizons diagram and present the first day's results to the other groups.
17:30		Cocktail reception at the JJ Club

Day 2: Wednesday, 31 st October 2018 – Location: Park Inn Hotel, Kigali, Rwanda		
Start time	End time	Topic
08:00	08:45	Arrival & Registration
08:30	10:30	Plenary: Welcome from the Chairs – Putting the dialogue into context Moderator: Dr. Laura Pereira, Researcher, Stellenbosch University and Academic Expert, City University of London
		Group representatives reading of stories from the different groups
		Presentation: The Challenge Ahead: Non-linear Interactions in Current Societal Dynamics Professor Sander Van Der Leeuw, Foundation Professor of Anthropology in the School of Human Evolution and Social Change, Arizona State University Presentation: Global perspectives: What do global scenarios say about how Africa can reach the SDGs? Dr. Ana Paula Aguiar, Research fellow, SRC and Senior Researcher, INPE/Brazil
10:45	11:00	Coffee break
11:00	13:00	Break-out Session Step 3: How to break the present undesired futures and the undesired present to reach the desired futures (Horizon 2). Overarching question: 1. How do we change the present system to transform to the desired futures? 2. Which measures and actions are required (consider the root causes)? Sub-questions: 1. How can the perspectives and concerns expressed in the global scenarios be dealt with at the relevant scale (e.g., food demand for a global population, large-scale restoration, biofuels demand)? 2. What are the divergences and convergences inside the group and across scales?
13:00	14:00	Lunch
14:00	14:45	Break out Session Continues Finalizing and preparing for plenary: 1. Three Horizons diagrams 2. Stories 3. Convergences and divergences across regions and with the global scale (structured by theme).
14:45	15:15	Learning reflection with coffee
15:15	17:00	Closing Plenary: Moderator: Dr. Laura Pereira, Researcher, Stellenbosch University and Academic Expert, City University of London Panel discussion with group representatives followed by reflections and way forward by Dr. Belay Begashaw, Prof. Sander van der Leeuw and Dr. Ana Paula Aguiar
